

KEY DEADLINES

Submission of contributed paper (extension):

31 July 2013

Notification of acceptance of contributed paper:

16 August 2013

Deadline for early registration:

30 August 2013

Start of Conference:

10 October 2013

REGISTRATION FEE

Registration before 30 August 2013:

USD 250 (international participants)

Rp. 800.000,- (national participants)

Registration after 30 August 2013:

USD 300 (international participants)

Rp. 1.000.000,- (national participants)

PAYMENT

Payment can be made by bank transfer to Bank Mandiri, account number: **900-00-1077023-9**, account holder: **Retno Wulandari Putri**, or directly by cash at the Conference Registration Desk on 10 October 2013. Payment by Credit Card can also be done at the conference registration desk on 10 October 2013

International Conference on the Sources, Effects and Risks of Ionizing Radiation

"Enhancing Awareness and Improving Understanding among Stakeholders on the Levels of Ionizing Radiation and the Related Health and Environmental Effects"

Sanur Paradise Plaza Hotel, Sanur - Bali, Indonesia,
10-11 October 2013

SECOND ANNOUNCEMENT

Organized and Hosted by:

In Cooperation with

National Nuclear Energy Agency

United Nations Scientific Committee
on the Effects of Atomic Radiation

Supported by :

Ministry of Research and Technology

Ministry of Health

Nuclear Energy Regulatory Agency

Indonesian Radiation Oncology Society

Indonesian Society of Radiology

Indonesian Society of Nuclear Medicine

CONFERENCE DESCRIPTION

The Indonesian National Nuclear Energy Agency (BATAN) is pleased to announce that it organizes the International Conference on the Sources, Effects and Risks of Ionizing Radiation that will be held at the Sanur Paradise Plaza Hotel, Sanur, Bali, Indonesia, on 10-11 October 2013.

The Conference will deal with the efforts to enhance data collection and disseminate scientific findings related to the issues of sources, effects and risks of the ionizing radiation, as well as to seek the way of communication among stakeholders (scientific communities, regulatory authorities, and general public) on those issues.

OBJECTIVE OF THE CONFERENCE

The Conference will deal with the efforts to enhance data collection and disseminate scientific findings related to the issues of sources, effects and risks of the ionizing radiation, as well as to seek the way of communication among stakeholders (scientific communities, regulatory authorities, and general public) on those issues.

CONFERENCE PROCEEDINGS

All accepted papers will be published either in ATOM INDONESIA Journal (ISSN: 0126-1568), in AIP (American Institute of Physics) publication (ISSN: 0094-243X), or in Conference Proceedings.

TOPICS

- Exposures from Natural and/or Man-Made Radiation
- Occupational Radiation Exposures
- Medical Radiation Exposures
- Health and Environmental Effects of Radiation
- Radiological/Nuclear Emergency Preparedness and Response

PANELS

- Communication on the issues of the levels of ionizing radiation and the related health and environmental effects
- Cooperation works among countries to gather more data on the issues of the levels of ionizing radiation and the related health and environmental effects

MANUSCRIPTS FOR THE CONFERENCE

Manuscripts must be submitted in English and must comply with the guidelines given in the Conference website. A paper that does not comply with the guidelines will be returned for revision and may be rejected from publication if it is not revised in due time. All authors must submit their draft manuscripts as computer files (MSWord format) to the following address: serir.paper@batan.go.id

PRESENTATION

Contributed papers will be grouped as oral and poster presentations. Authors will be informed by 16 August 2013 whether their papers have been accepted for the Conference, and whether they will be presented orally or in poster (see Conference website for further guidance to presentations).

KEYNOTE AND INVITED SPEAKERS

- Dr. Malcolm Crick: Secretary, UNSCEAR
- Dr. Abel Gonzalez: Vice Chair, ICRP Main Commission
- Dr. Ohtsura Niwa: Member, ICRP Main Commission
- Dr. Zhanat Carr: WHO, Switzerland *)
- Dr. Carl-Magnus Larsson: CEO, ARPANSA
- Dr. Soehartati Ghondowirdjo: SpRad(K)Onk.Rad.: Chair, Indonesian Radiation Oncology Society
- Dr. Anhar R. Antariksawan: Deputy Chairman, National Nuclear Energy Agency (BATAN)

PANELISTS

- Dr. Somporn Chongkum : Executive Director, TINT Thailand
- Dr. M. Lebai Juri: Director General, Malaysian Nuclear Agency (Nuclear Malaysia)
- Dr. Trihono: R&D Agency, Ministry of Health
- Mr. Usman Kansong : Media Indonesia Daily *)
- Mr. Martua Sinaga : Deputy Chairman, BAPETEN

*) In confirmation
